PETITION TO THE HOUSE OF COMMONS IN PARLIAMENT ASSEMBLED

We, the undersigned residents of Canada, draw the attention of the House of Commons to the following:

THAT Bill C-10: The Safe Streets and Communities Act combines too much unrelated proposed legislation in one Omnibus package;

THAT Each of the individual proposed legislations in the C-10 Omnibus crime bill is worthy of individual attention and debate in the house; and

THAT the costs of implementing these measures have not been properly assessed, and that the provincial governments of Quebec and Ontario have expressed their refusal to pay for these new measures.

THEREFORE, your petitioners call upon Parliament to separate Bill C-10: The Safe Streets and Communities Act into its individual clauses and allow members to vote on each clause separately.
